

CONFIRMATION COVENANT

Peace Lutheran Church invites you to prepare for confirmation in the one holy, catholic and apostolic church. The confirmation program at Peace Lutheran Church is meant to help you discover, discern, and enjoy the life of our community of faith and the life of the Holy Spirit. You are a beloved child of God and this community of faith cares about you and respects you. When you were baptized, the church, together with your family, promised to support you and help you grow in faith toward becoming an active member of the congregation and the wider Christian community living as a disciple of Jesus Christ. Throughout your journey, you will receive support and understanding from the members and leaders of Peace Lutheran Church and your family.

If you are willing to take these steps and prepare for a fuller life in the triune God, we invite you step into this journey with us. Please complete and sign this covenant with your family.

A covenant is a contract between you and God. Your promise takes the form of your agreement to grow in your discipleship over the course of the confirmation program. Your covenant with God is supported by God's love, the love and guidance of the Peace Lutheran Church, and your choice.

I, _____, agree to:

- Regular prayer life, including participation at Sunday worship with Peace Lutheran Church
- Active and consistent participation in class sessions and not missing more than three (3) classes
- Complete the assigned confirmation project(s) and reading(s)
- Take part in four (4) service activities and/or projects, as a sign of living out Christ's call to love and serve others
- Strive for greater maturity
- Accept more responsibility in my family, my church, and my community

Having clearly understood what is expected of me as I prepare for confirmation, I sign this covenant in the presence of God and my parents as witnesses.

I ask the help of the Father, Son, and Holy Spirit to assist me in living up to this agreement.

Self-study Projects

During each self-study period, students will be asked to read one of the options above and then either write a two-page reflection (prompts will be given by Pastor before break), or students may create something (painting, drawing, diorama, shadowbox, etc.) that reflects a theme, persons, or event from the reading that stands out to the student. Students will present to the class when we resume the next session of in-person classes. Students can be as creative as they want with the projects.
